Back to your house

A marvelous and colorful story about a chimp who can write and the bond between animals and humans.

Every night, the chimpanzee Pontus is dressed in a suit and tie and sent out into the circus arena as the writing chimpanzee. Magda cares for Pontus as if he were her own son and feels more and more sorry for him. In an attempt to free him from the clutches of the Ringmaster she tells everyone that Pontus really can't write. Then she sneaks off to start a new life with Pontus. Gradually she realises that Pontus' writing performance may not have been a circus act after all...
