A Prayer for Jacob Juul

Jacob Juul goes from being a retired priest to a widower, grandfather, and murderer in just a couple of days.

It all becomes too much to handle at once for Jacob Juul. In just a few days, he goes from being a retired priest with a good moonshine-business enjoying his retirement, to a widower and new grandfather to a 7-year-old girl. And if that wasn't enough, he also becomes a murderer.

Now he has a dead debt collector in the booze stash in his shed that he has to get rid of and a criminal conspiracy he must save himself and grandchild Isabella Donnatina from.

Luckily, a lifelong career in the Church of Norway has prepared him to face most situations with calmness and optimism. As Jacob himself says: "It is incredible what experiences through more than 40 years of visiting private homes to plan christenings, weddings, and funerals can teach you."

A tragicomic noir from deep in the Norwegian forest.
