Inga Husby Sætre

The Sneak

Susanne and Sørensen are neighbours, but not very good neighbours. Susanne likes things quiet, clean and tidy. She doesn't like mess – and she does NOT like Sørensen.

But one day a little sneak moves into the garden between the two neighbours – and this sneak is all set to spice up their lives!

Inga Husby Sætre

Inga Sætre (born 1978) is an author, comic-book creator, illustrator and animator.

She trained as an animator and is one of our most highly renowned illustrators and cartoonists. She created the award-winning graphic novel *Fall Technique*, which has also been turned into a film and won an Amanda Award under the title *Ninjababy*.
