TROLLHEIM – The avenger from Helheim

The **Trollheim** books are illustrated entertainment novels with lots of action, thrilling tension, love and warmth. Our goal is for the book series to have the same position in children's hearts today, as *The Hardy Boys* and *Nancy Drew* had in our hearts when we were children.

The **Avenger from Helheim** are the second title in this series. In 2022, "*TROLLHEIM - The secret of the Crow's Castle*" was named the very best book of the year! This is the first book in the series.

Adam, Tara and Tobias have decided to protect Trollheim from the evil that lurks beneath the surface. They are soon put to a test that will not only test their courage and strength, but also their friendship. Mysterious tracks in the forest and strange howls against the moon are ominous enough, but little do they know that the greatest danger is the one they can neither see nor hear.

Arne Lindmo loves to write exciting stories inspired by Norse mythology, fairy tales and myths, a theme that has fascinated him since he was a boy. In addition to reading, he likes to play chess and computer games. When he is outside, he prefers basketball and slalom, preferably with his son.
