## *Revelation to John*

Former stand-up comedian John Kaupang travels back to the island of Skatøy to bury his father. His father, a beloved doctor, hanged himself at his office. There were many years of hostility between John and his father, and letters appear during the preparations for the funeral that his father wrote about his life on Skatøy. John begins to investigate what his father really got up to and who he was behind his irreproachable humanitarian façade. His son eventually sets his sights on a man he doesn't know who is ruled by forces he refuses to divulge. Meanwhile, the funeral is approaching. John has a strained relationship with his family and other islanders – relationships that only become more difficult following his father's death.

*Revelation to John* is a novel about people who switch between rejecting and clinging on to one another, and about what you should have known – and may never know – about those closest to you.
