Kristin Lian Berg, Oda Valle (ill.)

## *Anna and the Bird Problem*

Anna has the world's loveliest cat, Lilly – but one day Lilly comes home with a baby chick in her mouth.

Lilly is a killer!

Anna has to come up with a way to protect the birds from Lilly. Lilly is really kind, after all.

Isn't she?

A warm and humorous picture book about treehouses, crazy cats and a dramatic rescue operation.

## Kristin Lian Berg, Oda Valle (ill.)

---

**Kristin Lian Berg** (b.1978) lives in Trondheim, where she works as a producer for cultural events. She was educated at the Art Academy in Bergen, the Creative Writing Academy in Hordaland, and has taken Author Studies 2 at the Academy of Art in Tromsø. She has previously published the novel *Fine Weather, Partly Cloudy* (Cappelen Damm). *Anna and the Bird Problem* is her first book for children.

**Oda Valle** (b.1983) holds a bachelor's degree in visual communication from the Birmingham Institute of Art and Design in the UK. In 2021 she started writing and drawing children's books, and as of 2022 she is a picture-book illustrator for Gyldendal. Her biggest dream and greatest ambition as an illustrator has been to illustrate books for children and teenagers.
