The World's Worst Pet

Little sister Ragnhild has seen thieves on the news and now all she wants to do is sleep in Ruben's bed. Ruben is fed up of his little sister sleeping in his bed. He and his friend Kent concoct a plan to fix his problem. They've come up with an ingenious idea: What about getting a pet to look after Ragnhild? Then she'll surely be brave enough to sleep on her own! What could go wrong? A lot, it turns out.

The latest book in the *World's Worst* series! Heaps of humour, vivid illustrations and days that rarely go according to plan make the *World's Worst* books an entertaining, easy-to-read and hysterically funny reading experience for children and adults alike.

The *World's Worst* books have sold over 100,000 copies!
