Bo Gaustad

Cock-a-doodle-woof

**The ultimate illustrated book about roosters,
bullfighting and nearsighted men.**

Henri the rooster is bored. He is tired of hens who do not pay attention to him, and of having to get up at the crack of dawn every single day to crow cock-a-doodle-doo to an ungrateful audience. There must be more to life than this! Henri heads off into the world trying his hand as a guide dog, bullfighter and trapeze artist. But it's not easy discovering what you want in life.
