Blood moon

The devil dances under the blood moon.

On a freezing cold January day, Benni, Sarah and Vanja check into the snow-covered Lookout Mountain Lodge, ready for a weekend at a luxury spa. But the friends soon discover that things are not as they should be up here in the mountains. This isolated hotel's heyday has long since passed, and now only a caretaker and his daughter work here. Why won't the caretaker talk to them? Why did the previous owner leave the hotel so suddenly? And why have so many people drowned in the lake by the ski slopes?

Blood Moon is an eerie horror story where the devil never stops dancing under the blood moon...
