# *Loki goes hunting*
## *A hunting book for children*

**A book about game hunting written especially for children!**
In large parts of Norway, and other countries, game hunting is a natural part of the culture and everyday life. Often, children become interested in hunting as pre-schoolers, and there are schools where hunting is an important part of autumn outdoor activities. But until now it has been difficult to find good literature about hunting written for children. Meet Loki! Loki is seven years old, and one of his favourite things is to go hunting with his grandfather and uncle Bjørn. In this book we get to go hunting with them, and learn a lot about animals, equipment and what it means to be a hunter

## Bjørn Arild Ersland, Tommy Ellingsen (photo)

Bjørn Arild Ersland (b. 1965) has written a number of critically acclaimed children's books. He is best known for his award-nominated picture and non-fiction books.
