Draw animal friends!

The inimitable Øistein presents us with a fantastic activity book about the animals of the world.

Through cartoons we join Little Øistein, Nora and Poppy as they encounter animals great and small, dangerous and harmless, in the jungle, in the city, at sea, in the desert, in the mountains, on the farm, and in the forest.

Surprising facts and trivia are conveyed in simple, fun and informative ways.

An activity book for animal lovers of all ages!
