Ida Therese Klungland

## *Cybjørg 2.0 next level*

Cybjørg has become a real hero! Everybody knows that she can deal with scary villains, and now they are asking for her help with everything from wifi passwords to fixing coffeemakers. Cybjørg does like to talk to computers, but when our hero's everyday life becomes too much IT-support and too little heroics, it's more exciting to play UniMax with Arnold.

Once again, strange things begin to happen in her home town, and Cybjørg suspects that the bad guys are back. But what is the right thing to do when her new friends are becoming too square? And will everyone stop liking her if she can no longer be a hero?

*Cybjørg 2.0 Next level* is about identity and coolness, friendship and gaming, old nemesis and new heroics.

## Ida Therese Klungland

---

Ida Therese Klungland (b. 1991) is a literary agent and secondary school teacher who made her debut as a writer in 2021 with *Cybjørg*. She also creates music under the name idatherese.
