Dunce - Impulse control

«Impulse control» is the fourth Dunce book, this one too is filled with single strips, strip sequences and longer series.

Join us on a road trip through Norway, Brego's attempts to hibernate, and the touching sequence where Gustav single-handedly takes responsibility for saving the rainforest.

Jens K. Styve

Jens K Styve (born 1972) lives with his wife, dog and three kids in Tromsø, Norway. He's a writer (of two novels), comic artist and illustrator.

He worked 12 years as partner and designer in a design agency, but since October 2017 he's been a comic artist full time.
