Cool Rescue Rides

After the successful *Cool Machines* and *Cool Dinosaurs* – here comes *Cool Rescue Rides*!

Children love cool vehicles – and in this book you will find seven of the coolest emergency vehicles: fire engine, ambulance, police car, rescue helicopter, police motorcycle, lifeboat, and tow truck. In addition to this you get a closer look at the first aid kit – a very important part of all the seven vehicles.

Drivers Ida and Hans tell us all about the different emergency vehicles, and we get to come along on a mission. It's important to get somewhere quickly in order to help, and luckily all these vehicles have blue lights and sirens!

Line Halsnes is an expert at drawing vehicles and machines with all the correct and important details. She takes the young readers seriously, and shows exactly how the vehicles look both inside and out. Her drawings are colourful, detailed and accurate, and readers big and small will gain new knowledge from this book. It's also a book suited for multiple re-reads!
