Going Pro

Should Molly go all in and follow her dream of going pro?

Molly has won everything there is to win as far as Norwegian skateboarding competitions go, and has landed a sponsor deal in the US. She travels there with her family for what is set out to be the best summer of her life.

The only problem is that the sponsors don't really care about skating. All they care about is getting the best pictures. She seems like newbie and only makes a fool of herself. But her dream is to go pro, and to go pro you HAVE TO have sponsors!

Should Molly go all in and follow her dream of going pro? Or is skating really about something else?

A book with a real California vibe to it, with long beaches and sunrise skating. *Going Pro* follows the story of Molly, who the readers first met in *Girlskaite* and *The Concrete Park*.

Steffen Sørum, Eldrid Johansen, ill. Ingrid dos Santos

Steffen R. M. Sørum (b. 1976) has published a range of books for adults, teenagers and children. His debut novel, *You Love Me*, was released in 2000. In 2016 he was awarded the Ministry of Culture's prize for his book *Write Brilliantly*, written with Eldrid Johansen and Ingrid dos Santos.
