Ulv Ulv Tommy Skoglund

reads The Dilogy I+II

Why was *The Dilogy* met with silence? Is the culture too positive? What position does the negative novel have today? Does it have to be published within the cultural sect to be read? To have literary value? What and how weighty is literary value really?

Novel of the year is an extension of *The Dilogy's* negative poetics, where the novel as form, language and content, fiction and reality is explored, in all its dilogical self-sufficiency.

Ulv Ulv Tommy Skoglund

Ulv Ulv Tommy Skoglund (b. 1982) made his debut in 2009 with the prose poem-collection *Waking up as Part of Nature*.
