PFFT!

Noel is a man (duck) with memories he has tried to forget.

Sex, violence, drugs, arguing, love, madness, laughter, tears, sickness, sorrow, joy. This book offers everything, and then some.

The book looks at how what we experience shapes us, and pursues us through life.

Sample translation available.

Sindre Goksøyr (b. 1975) is a very experienced cartoonist with a distinctive and easily recognizable style, with roots in the underground genre. He has made a name for himself as a member of the Dongery collective and on his own, as an artist, but "Pfft!" is his first graphic novel.
