Bendik Kaltenborn

Sykt nais

Bendik Kaltenborn's first comic book in 10 years, full of graphic short stories, drawings and moods in the spirit of his previous books. This time darker and deeper than ever!

In *Sykt nais* you meet:

Sofia, who is broke due to horse race betting! Her father, who is struggling with a mysterious bird problem! A sunburnt father with nervous problems! A rural Norwegian with a fear of snakes! Demons! A stranger in the night! Bongo-Hans! Harald Stanghelle? Stavanger city council! Bar patrons in various moods! People on a date! Hello from toilet! Subdued counter! The cowboy! Tax refugees! Sing along! Gong! Creak! Guri! Krödern!

Kaltenborn's two previous comic books have been translated into English, German, Swedish, Spanish, French

Sample translation available

a masterpiece ... one of the essential releases of the year.

Walter Wehus, Empirix

- Empirix

irresistible ... an inventive virtuoso of drawing I always want to see more of.

- Kåre Bulie, Klassekampens bokmagasin

Cornucopia ... one of Norway's leading illustrators worldwide

- Øyvind Holen, DN

an artistic tour de force of originality, madness and humour ...

- Asle Sætre, Serienett

Bendik Kaltenborn

In addition to his cartoons and *Tegning, form og farge* - a rich presentation of his illustration art from among others The New Yorker, New York Times, Kaltenborn has created iconic art for among others Todd Terje and Khruangbin, and directed two short films *Liker stilen* and *Lumbago*, which received much praise. Kaltenborn received his doctorate at the Academy of Arts in December 2022 on the thesis "Drawing, form and drama". He has had several solo exhibitions.
