Sew Your Own Scandi Wardrobe

Oda Stormoen

## *Sew The Seasons* *16 dresses for spring, summer, autumn & winter*

Sew beautiful Scandi dresses for all seasons and occasions of the year. This book provides detailed instructions and pattern sheets for 16 dress projects in the modern and elegant style that has become Oda Stormoen's (@flid.no) trademark. Through four dress concepts with pattern variations and fabric recommendations for spring, summer, autumn and winter, you'll get everything you need to make a variety of impressive dresses for all seasons.

The book also focuses on material and textile knowledge, helping you make even better fabric choices for your sewing projects – ensuring long-lasting results and certain wardrobe favourites.

## Oda Stormoen

---

Oda Stormoen is the woman behind the popular sewing brand and Instagram profile Flid / @flid.no. Known for her contemporary and high quality sewing patterns, she has attracted thousands of followers and customers all over the world. She currently resides in Copenhagen, where she works as a pattern maker for the renowned fashion designer Cecilie Bahnsen.

Her first book was a bestseller in Norway, and is now published globally with Quadrille Publishing.
