The Crow- top of the class?

Playful non-fiction for the young!

The crow is one of our most intelligent birds. In fact, it's as intelligent as an 8 year old child!

If you're mean to a crow it will never forget about you but if you befriend it, the crow may well bring you a gift.

This book reveals fun, interesting and surprising facts about the crow. Don't you like crows? You will after having read this book!
