The adventure of Paprika and Kaba continues as they arrive at the island of Mana Maitri, where they hope to find Mara's aunt in search of more answers about the mysterious celestial sapphire. Their hope is that it will lead them to the «Star Gate».

For the myth says that all who pass through the gate will have their greatest wish fulfilled. Oliver and Paprika set out on an exciting journey together with Kaba to find the «Star Gate». But they are not the only ones trying to solve the mystery...

Meanwhile, Kaba's father, Kabien, has come after her to bring her back to their planet. Teaming up with the powerful Frank, he tries to track Kaba down, but Frank's ambitions go far beyond helping Kabien. Frank is far more interested in claiming the celestial sapphire for himself...
