Tina Hauglund

My little Muffin *Knit for boys, 0-12 years*

This book is perfect for those of us that have grown tired of traditional “boy colours”, and knitted clothing to nice to be used!

This book contains 40 delightful patterns for bodies, pants, jackets, sweaters, scarves and hats, all in creative colours and with inventive motives. All the garments have a timeless design, and a fit the children will love to wear! Have fun knitting lovely clothing that’s actually meant to be worn, and that fits perfectly for every occasion. The patterns suggest different yarn qualities, like alpaca, wool and cotton. This makes the patterns very versatile, and can be used to make clothing for both summer and winter, depending on what yarn is chosen.

The patterns can of course be used for girls as well as for boys.
