Fantus and the Feelings

Fantus has many feelings – and can be happy, angry, sad, scared, surprised, and proud. Knut Næsheim takes young children's big feelings seriously in this lively and colorful board book. All children can relate to the situations Fantus experiences and the emotions they evoke. A colorful, fun, and important book that helps children understand, express, and perhaps talk about their feelings. The book is shaped like Fantus and is an indispensable part of the children's library for all little ones with BIG feelings!
