Fantus and the Machines

Fantus spreads joy and is totally sweet and lovable. Fantus is around one year old and can say a few words, but mostly speaks baby talk. Fantus brings life and excitement to the family with their exploration of the world!

Here, Fantus explores big and tough machines. Ba boo! Beep, beep! Vroooooom! What does a fire truck, tractor, or excavator do? Join Fantus and see what the machines do and what they look like.

Næsheim, Knut and Stamp, Jørgen (ill.)

Knut Næsheim has 20 years of experience as a children's program creator at NRK Super and is behind series such as Minibarna, Sangfoni, and My Friend Marlon. He has also written the books about Fantus.

NRK Super is a Norwegian children's television and radio channel, run by the public broadcasting company NRK (Norwegian Broadcasting Corporation). The TV channel was launched in 2007 and is broadcast on the digital terrestrial network and on all Norwegian cable and satellite services.
