You're joking, Fantus

It's much more fun to brush your foot than to brush your teeth, and do you always have to wear a diaper on your bottom? Join in on the fun and silliness throughout the day and see all the things Fantus gets up to behind the flaps.

With big flaps for little hands.

Fantus spreads joy and is sweet and lovable. Fantus is around one year old and can say a few words, but mostly speaks baby language. Fantus brings excitement and activity to the family with his exploration of the world!
