## *Jorid's matching sets* 45 unique patterns for children age 0-8 years

**Knit beautiful matching pieces for your children in lovely colours and patterns!**

This is Jorid Linvik's third book about knitting, where she shares 45 wonderful new patterns. Who doesn't know a child that is mesmerized by tractors, ponies, cats or hearts? And when a child devotes all its attention to one particular thing it usually can't get enough of it. Several people have requested sets of clothing with matching patterns for kids, and Jorid rose to the challenge beautifully. In this book you can find lovely and creative patterns for hats, mittens and socks, all featuring the same motives. Some of them you might recognise as patterns for grown ups published in earlier books, while others are brand new. The patterns are suitable for children up to eight years of age.
