Gunnar Garfors

Beyond the Beaten Path: Eastern Norway *88 fabulous travel tips*

Join travel expert Gunnar Garfors on a trip and be inspired! This time the trip goes to Eastern Norway, an "underdog" when it comes to Norwegian holidays. Many have made the pilgrimage to the fjords and mountains of Western Norway and the fantastic nature of Northern Norway, while the more eastern destinations have been left as hidden gems on a string. The travel destinations are suitable for day trips, weekend trips or week-long holidays.

The book challenges the image we have of Eastern Norway as a holiday destination, and tempts us to travel to places most of us would never find on our own. Eastern Norway is so much more than the capital and Hemsedal, and Garfors shows the way to world-class restaurants, spectacular nature and cultural experiences and accommodation like no other – guaranteed to be free from queues and crowds.

Beyond the Beaten Path: Eastern Norway is the third in a series of books that aims to inspire travel both domestically and internationally.

"I'm so proud, and I'm so happy that Gunnar has written this book. We travel to Italy, read up to find the good places, and then we have it here in Norway."

- Wenche Andersen, TV2 God morgen Norge

"The book is packed with pictures and vivid storytelling, as we know Gunnar Garfors is good at. If you're looking for a short vacation, perhaps this is a book you should browse through before you decide."

- Sigmund Krøvel-Velle, Hallingdølen
