Leander Dønne

Eat All

When their parents die, the twins Våle and Rind have to move in with their grandparents. Grandfather is a diabolical man, grandmother is powerless. In the scree above their farm lives a pregnant wolverine. Her rage and her hunger is growing. *Eat All* is a dark and boundary-breaking novel about destructive forces, witchcraft, shapeshifting, and revenge.

'[...] absolutely sensational. Eat All is unlike anything else in its complete surrender to human violence and nature's uncontrollable urges.'

- Dagens Nyheter, Sweden

'A brilliant nightmare! [...] Eat All gnaws at you like a scavenger and does not let go until the last page has been read. This is truly feel-bad at its best. You have been warned.'

- VG, 6/6 stars

'Throughout, a rhythm pulsates: from the heart, from the Sami drum, from everything that lives and everything that does not live. The claustrophobic universe is permeated by a powerful force that trumps civilisation, morality, will and humanity [...] Dønne's language is beautiful. The rhythm, the prose and the story pull you in and I am hooked on the novel until the bitter end.'

- Morgenbladet
