ABC

Anna and her grandma are on the way home from nursery school when Anna is hit on the head by a ring. Where can it have come from? They ring doors at the nearest high-rise building to inquire, but neither the Architect, Baker or Cellist have lost one. And outside door D there is a smell of smoke... but it can hardly be a fire-belching Dragon that lives there? Or can it?

Fresh and modern, still With roots in the classical ABC-tradition.
