Rune Markhus

Loose Screw

Deep in the woods lives an itty bitty man on mushrooms that he finds on the ground. One day he finds a strange, shiny object. It does actually look a little like a mushroom so the man decides to bring it home with him. But what if the object belongs to somebody? An owner that will come back to look for it?

Rune Markhus

Rune Markhus (b. 1972) is a sketch artist and illustrator. This is his first picture book.
