The 4th book in the series

**Arne Svingen**

## *When Lise Had to Fart* *Svingen's Mad World*

Spending time With her best friends is the best thing Lise knows. Except she doesn't feel that way right now. For right now her insides are bubbling. Deep down in her intestines a huge fart is trying to get out. And Lise doesn't feel it's particularly stylish to let out a juicy fart while everyone can hear it. They'll hold their noses. Ask her if there are skid tracks in her panties. Call her Lise the Squeezer. She's got to get away.

This is the fourth book in a whacky and wonderfully absurd series from Arne Svingen for young kids at primary school: *Svingen's Mad World* – a parallel humorous series to the already well-established thriller series *Svingen's Dark World*.
