## *Espen Askeladd and the King of the South*

Once upon a time... hey, wait a sec. It wasn't all that long ago, actually. For two weeks ago last Thursday, Espen Askeladd stood in front of his tiresome brothers and said: 'The longest holiday I've ever had lasted ten minutes and it rained. So now I'm off to the South to get myself a tan.'

And off he sets, with his three best friends. Together they try to find the King of the South, and take on the mysterious Tormod Roll!
