## *As We Fall*

At a hospital in Oslo, Superintendent Fredrik Beier is slowly regaining consciousness. Painkillers and alcohol, or so the doctor tells him. The recipe of a suicide attempt. But Fredrik himself can't seem to recall any of it.

A widow has gone missing, and in her home the police find the body of a recently deceased man. The remains are identified as belonging to someone declared dead over twenty years ago. Meanwhile, the sewer rats in eastern Oslo are feasting on a second body. A tragic past connects the two, forged during the days following the fall of the Soviet Union and an operation that ended in catastrophe. Now, a forgotten weapon has been brought back to life, and fallen into the hands of an avenger with nothing left to live for.

Ingar Johnsrud's *As We Fall* is a thriller that slips into the deepest crannies of the human soul only to then infiltrate the headquarters of this world's major powers. *As We Fall* is the second harrowing installment in the series about Fredrik Beier and Kafa Iqbal.

*Ingar Johnsrud continues to deliver crime fiction at absolute international top level. /.../ Johnsrud showcases a literary talent of the highest order – he's smart, precise and varied in his language. /.../ The conclusion is a given: it's an obvious six stars also this time around.*

- Verdens Gang, Norway

- Dagens Nyheter, Sweden

*Spine-chilling suspense and action from start to finish.*

- Göteborgs-Posten, Sweden

*"As We Fall" is an addictive, dark novel in which there is no lack of nordic noir elements – a compelling development, [a plot] refined to the smallest detail, sudden twists in the action, and an intriguing, ambivalent main character. Ingar Johnsrud unveils the darkest corners of the human mind.*

- Dobrze Książki, Poland
