Jo Nesbø

Police

When a police officer is found murdered at the scene of an old unsolved murder case that he was involved in investigating, it can hardly be a coincidence. When the same thing happens to two other officers in a matter of months the pattern is as clear as it is terrifying. None of the old cases were ever solved. The killings are extremely brutal and the police have no leads. What's more, they're missing their best investigator.

At the same time, a severely wounded man is in a coma and kept alive at a hospital in Oslo. The police guard the room and the identity of the patient is kept secret.

Once again Jo Nesbø delivers a devilishly clever story about the scope of human evil; a cat-and-mouse game that involves not only the victims and the police, but also the reader.

This is a Harry Hole thriller. Yes, it's dark. Yes it's thoughtful. Yes, it has plot twists worthy of a Mobius strip.

- Bloomberg News, US

This densely plotted story, is one of Nesbo's darkest and most disturbing ... The chills are palpable in this nerve-racking thriller

- New York Times, US

Nordic noir at its darkest. /.../ [The] latest and best of the ten-book Harry Hole series. /.../ Enormous tension.

- The Wall Street Journal, US

Jo Nesbø

Jo Nesbø (b. 1960) is a musician, songwriter, and economist, as well as one of the leading crime writers in the world. He is recognized for having widened the scope of the thriller with his unusual literary qualities and ambitions, his psychological insights and his in-depth knowledge of life in a modern, globalized world. His books have garnered countless international awards, sold 36 million copies, and been translated into 50 languages. In addition to the Harry Hole series he is the author of stand-alone novels *Headhunters*, *The Son*, *Blood on Snow* and *Midnight Sun*, as well as several children's books in the Doctor Proctor's Fart Powder series.
