Jo Nesbø

## Phantom

Summer. A boy, Gusto, is lying on the floor of an Oslo apartment. He is bleeding and will soon die. He is trying to make sense of what has happened. In order to place his life and death in some kind of context he begins to tell his story. Outside, the church bells chime.

Autumn. Former Police Detective Harry Hole returns to Oslo after three years abroad. He seeks out his former boss at Police Headquarters to request permission to investigate a homicide. But the case is already closed: a young junkie, Gusto, was in all likelihood shot dead by a fellow addict in a squabble over drugs. Yet, Harry is granted permission to visit the boy's alleged killer in jail. There, he meets himself and his own history. What follows is the solitary investigation of what appears to be the first impossible case in Harry Hole's career. And while Harry is searching, Gusto continues his story.

A man walks the dark streets of nighttime Oslo. The streets are his and he has always been there. He is a phantom.

*Intricate, breakneck plotting make for an addictive page-turner in Phantom, the latest in the Harry Hole detective series by Jo Nesbo.*

- Los Angeles Times, US

*[Phantom] is expertly plotted and structured, with all the requisite twists and turns to keep the reader guessing. The latter half of the book is also relentlessly paced, reading at times like a Scandinavian police version of the Jason Bourne series.*

- The Independent, UK

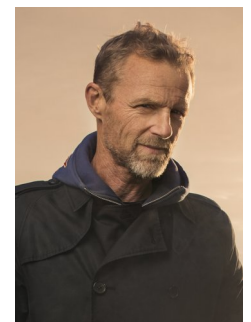

*One of the most captivating plots of the year*

- Le Monde, France

## Jo Nesbø

---

Jo Nesbø (b. 1960) is a musician, songwriter, and economist, as well as one of the leading crime writers in the world. He is recognized for having widened the scope of the thriller with his unusual literary qualities and ambitions, his psychological insights and his in-depth knowledge of life in a modern, globalized world. His books have garnered countless international awards, sold 36 million copies, and been translated into 50 languages. In addition to the Harry Hole series he is the author of stand-alone novels *Headhunters*, *The Son*, *Blood on Snow* and *Midnight Sun*, as
