Slush Mountain

Slush Mountain is a humorous, loving and ironic tribute to the Norwegian winter and ski sport culture – hot chocolate, wet trousers and skiing boots that are too tight. Slush Mountain is a remote mountain village with a lively bunch of people. We get to follow the village from morning to night, and meet a variety of odd creatures – including hard-core skiing enthusiasts, bandits, a romantic couple, an accordion performer and a snowshoe maker. This book is suitable for all who have ever gone skiing – and for those who haven't!
