## *Leftover-Ella*

Bella is a pretty cut-out paper doll. She is pleased with herself and looks at the pile of leftover paper left by the scissors. Suddenly noisy and dynamic Leftover-Ella appears from the scraps. At first, Bella doesn't like her. But after they help each other escape from the scary scissors, they become the best of friends. This is a picture book about the duality of friendship/hostility, creation/destruction and initiative/passivity.
