## *Sex and Religion* – From Purity Balls to Sacred Homosexuality

### Sex and Religion

#### – From Purity Balls to Sacred Homosexuality

Religion prohibits and orders sex, condemns and blesses, punishes and rewards. The gender of your sex partner, your marital status, the colour of your skin, your religion or caste are all factors that can lead you to redemption or perdition. Welcome to the sexual universe of religion.

While Christian teenage girls go to balls where they promise God that they will relinquish sex until they are married, Buddhist monks call attention to gay sex as a holy mystery. There is no simple key to the relation between sex and religion. While the sexual religious debate in Norway is centred on gay people's place in church, others ask whether there should be death penalty for hetero sex, whether promiscuity leads to hurricanes and nuclear war, whether God condemns marriage between black and white and why some religious sex rules are emphasized while others are forgotten.

In *SEX AND RELIGION*, the author takes a closer look at the different religions' attitude towards straight sex and gay sex, sex racism and daemon sex, duty sex and abstinence, oral sex, anal sex, divorce and bigamy. The book also covers what the religions say about the consequences of different types of sex, how sex is used ritually and notions of sex beyond the human existence.
