Peer Gynt *A graphic novel*

Spectacular graphic novel based on the play by Henrik Ibsen.

Ibsen, Henrik; Mairowitz, David Zane; Moen, Geir

Henrik Ibsen is one of the most famous playwrights in history. *Peer Gynt* is still his most staged play throughout the world, 150 years after its publication.

In this graphic adaptation by David Zane Mairowitz and Geir Moen, we follow our dubious hero into the hall of the Mountain King, as well as around the world.
