Crocodile in The Tree

The little red crocodile is out walking in the mist. Crocodile likes mist, and this is a really misty day! But suddenly he is scared by something that looks like a wolf, and oops! Little Crocodile is high up in a high tree.

Despite its apparent simplicity and spontaneity, on one level this picture-book is a dream-like allegory of belonging and alienation, while on a more concrete, down-to-earth level it is mostly about getting away safely from a tight corner.

Nominated for the Nordic Council Children and Young People's Literature Prize 2016.
