## *The Search for the Four-Leaf Clover*

The summer holidays are here. Alvar and Jens swim with Goldie, search for four-leaf clovers, have club meetings in the tree house. In fact, they do all the fun things one can do on an island. And soon a new kid will be moving into the big old rambling house. Now they will be three – it's got to be triple fun! But when the new boy arrives, Alvar understands that the summer is going to be quite different from what he had imagined. There is jealousy, quarrels and intrigues. Alvar must find the little hero in himself, and quickly.

*The Search for the Four-Leaf Clover* is a warm and exiting story.  
A forthcoming classic!
